DDJ7 STRATEGY AND POLICY

DDJ7 JOINT AND COALITION WARFIGHTING

DDJ7 JCW: Joint and Coalition Operational Analysis (JCOA)

- **As directed, deploys world wide and collects, analyzes, aggregates, and disseminates joint lessons & best practices across the full spectrum of military operations in order to enhance joint capabilities**
- **Provides active lessons and analytical support**
- **Creates multi-media products to disseminate the results**

JOINT LESSONS LEARNED INFORMATION SYSTEM

Purpose (& Perceptions) of the JLLP

> **To Advance operational effectiveness through improvements in joint DOTMLPF-P**

- **Enable the joint force to *efficiently* achieve *effectiveness* through:**

  - *Integration*: **improving collaboration and promoting information sharing**
  - *Responsiveness*: **decreasing cycle time from discovery to monitor**
  - *Awareness*: **knowledge management – for managers AND users**

- **Make the joint lessons learned process more relevant through alignment of policy, system, and business rules**
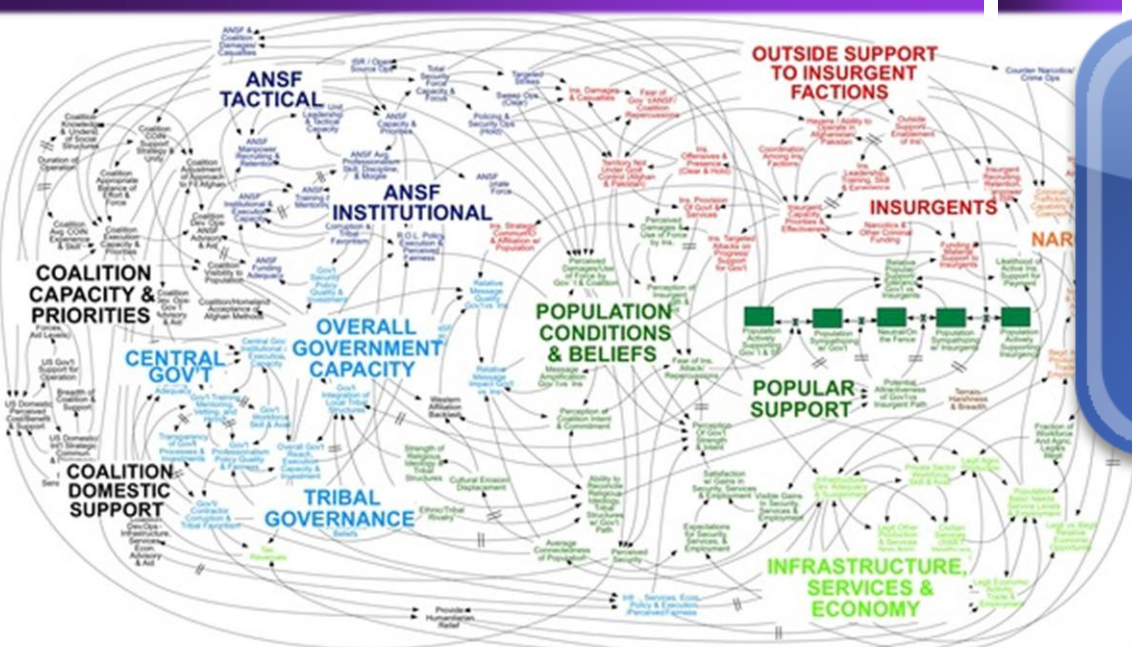

> **Joint Force Development Enterprise is faced with the imperative to change – or be irrelevant**

Joint Lessons Learned Process
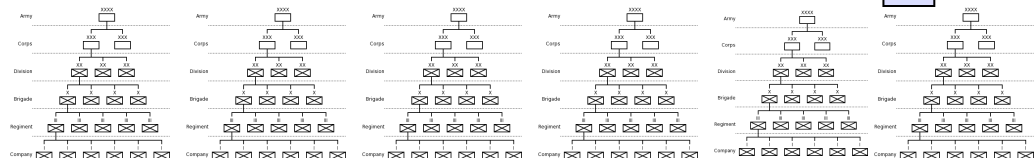

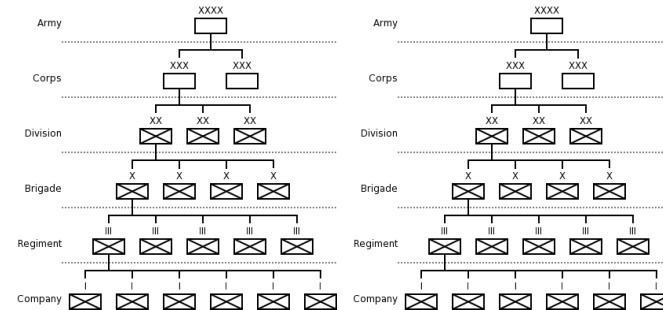

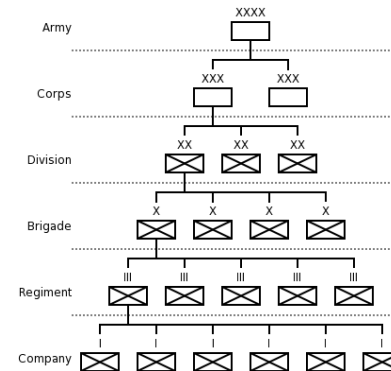

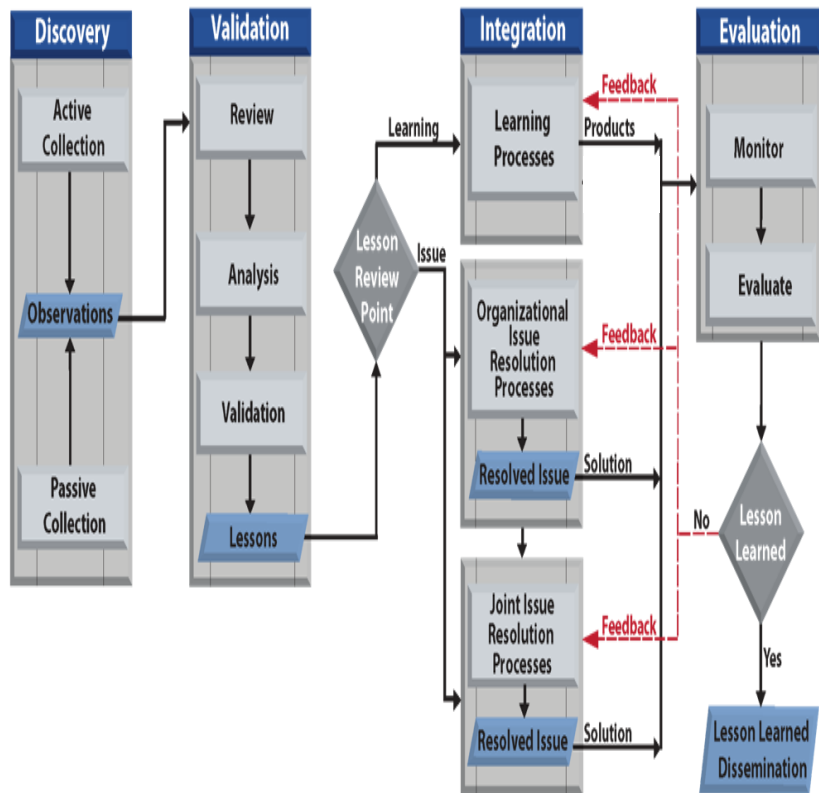

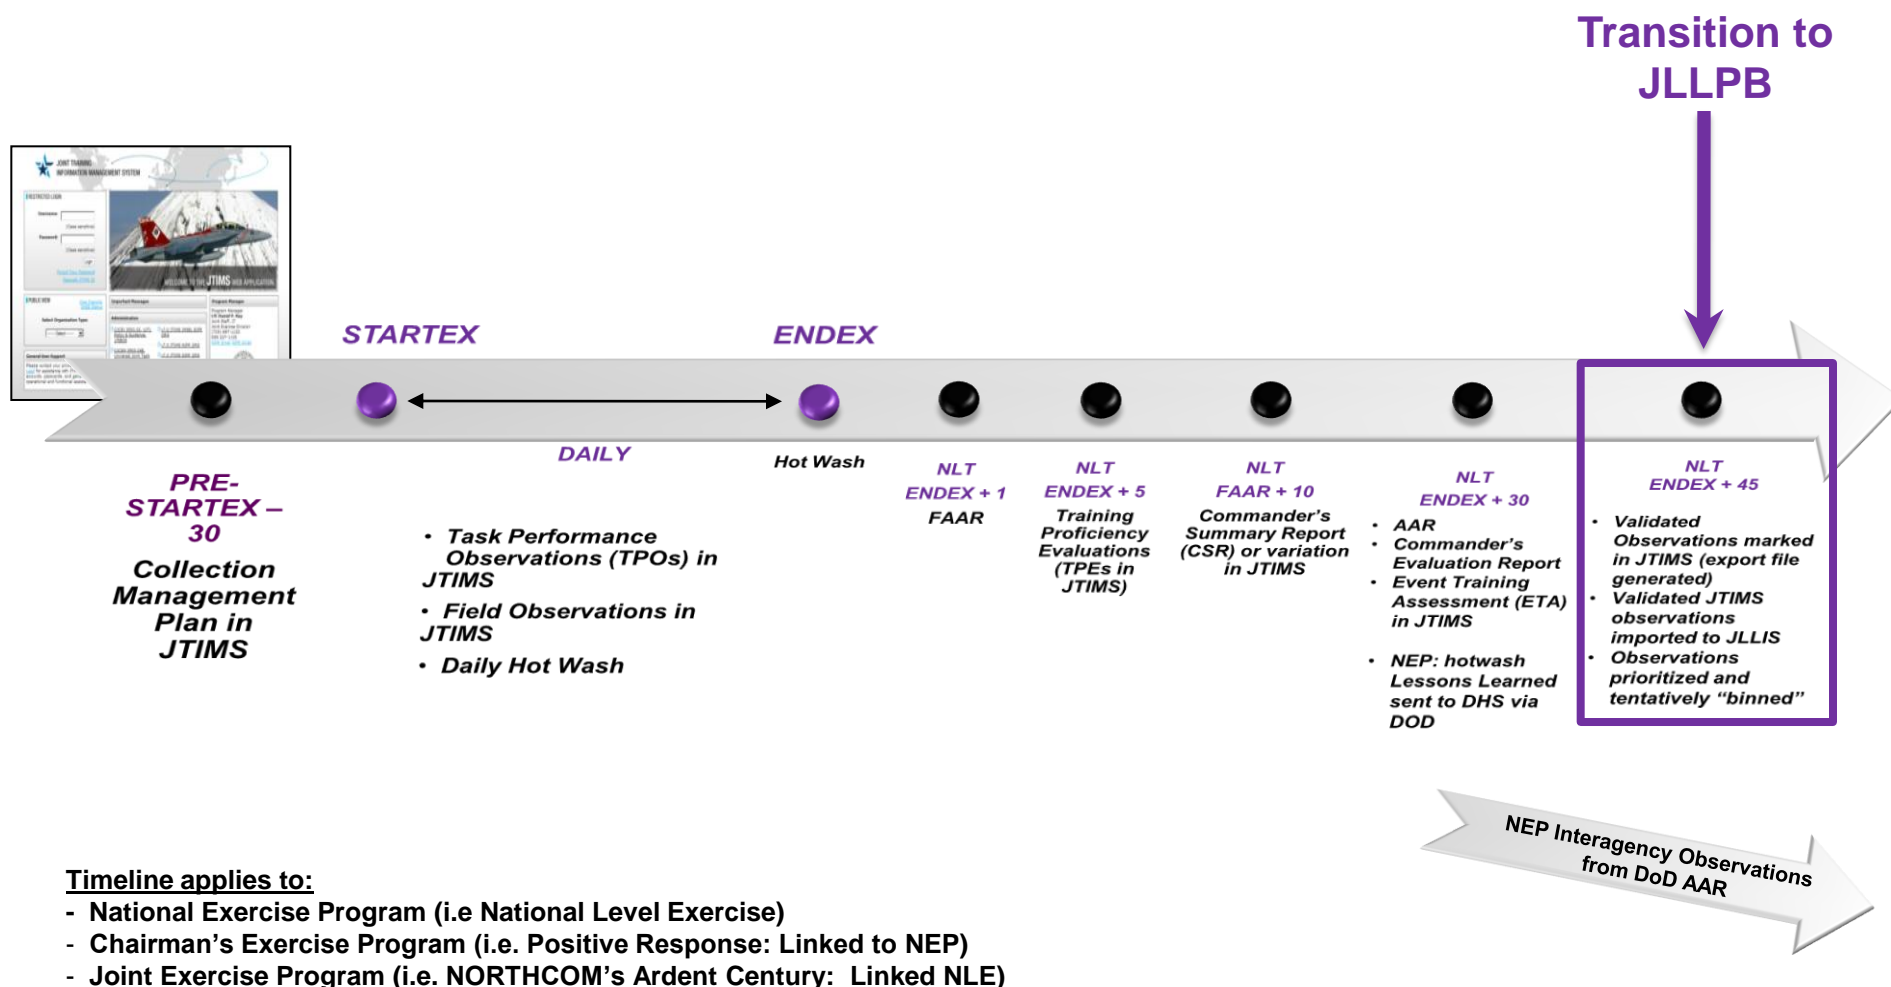

Expectations & Environment

The Road Ahead

- **Increase transparency**

- **Drive integration**

- **Identify the gaps and seams… and develop solutions**

- **Decrease the cycle time from observation until action**
